CUMULATIVE INDEX TO THE PENNY POST
VOLUMES 1-16 (JAN. 1991 - OCT. 2008)

Compiled by Charles J. Peterson (Vol. 1-9) & Larry F. Ballantyne (Vol. 10-16)

*The Penny Post* was founded and continues as the official journal of The Carriers and Locals Society. The journal does not have an International Standard Serial Number (ISSN). The first issue appeared with a dateline of January 1991. Through Vol. 7 it was published four times per year, initially in January, April, August and November, but effective with Vol. 3 on a true quarterly schedule of January, April, July and October with a print run of approximately 350 copies for each issue. Exceptionally, Vol. 8 contains five numbers. The publication is offset printed on 60-pound enamel paper, size 6.5x10 inches, with two-wire saddlestitch binding. The first printing of Vol. 1, No. 1 had a gray card stock cover, but because of various problems a partial re-run was made using covers of glossy white 70-pound stock; all subsequent issues have glossy white covers. Whole numbers were introduced with Vol. 6; applicable numbers for earlier issues are indicated in parentheses in the following checklist of issues:

INDEX TO THE PENNY POST VOLUMES 1-16
Notes: There is no printed page number on 1/3, p. 32; 1/4, p. 32; 2/2, p. 1; 3/4, p. 29; or 5/1, (32). Vol. 3, No. 1 included a supplement, the first part of Richard Frajola's Carrier and Local Post Catalog, consisting of 12 unnumbered pages (6 sheets), 8½x11 inches, stapled; it covers Waldron's Express and other “Wa...” posts through the first portion of Wells, Fargo & Co. (catalogue numbers 1WE1-1WEN3F1). Further catalogue sections appeared as supplements to 3/2 (2 unnumbered pages/1 sheet), completing the Wells, Fargo coverage; 3/3 (2 unnumbered pages/1 sheet), beginning coverage of Westervelt's Post (2WE1-2WE2); and 4/1 (4 unnumbered pages/2 sheets), completing treatment of Westervelt’s Post (2WE3 -2WE3R). Vol. 4, No. 1 also includes: a 1 page membership renewal form for 1994; and the January 1994 Newsletter Carriers and Locals Society (3 pages/2 sheets, 8½x11 inches, stapled). Vol. 4, No. 2 carries an April 1994 report of the Board of Directors meeting (4 pages, 8½x11 inches, printed 1 side only). Vol. 8, No. 3 includes a loose page, 8½x11, providing a corrected version of p. 2.

Beginning with Vol. 8, No. 3, Larry Lyons appears as Editor-in-Chief, with designated Editorial Board members responsible for specific subject areas; Martin Richardson is credited as Production Editor for Vol. 8, Nos. 3 and 4. [Content editing for Vol. 8, No. 3 was actually done by Gordon Stimmell, with production management by Richardson.]

Titles appearing on articles are frequently not the same as shown on the journal's contents page; the Author Index below uses the titles which actually appear at the head of the articles (which are the ones which should be used in any bibliographic citations). One exception involves those of Gordon Stimmell's contributions on originals and forgeries which are appended to local post articles by other authors; these do not bear a proper title, and have therefore been designated by the title shown on the contents page, in brackets. Another is the treatment of Priest's originals and forgeries by John P. Halstead, described by the author as "articles" [plural] and bearing separate headings, but set as a single article with continuous footnote numbering.

In both the Author Index and the Subject Index, citations are given by Volume Number, Issue Number and inclusive pages. Thus, the listing “Hale's Express 1/1:28-29” refers to Vol. 1, No. 1, pages 28-29. In a few instances, a reference appears in a footnote but not in the main text; in such cases, the page number is immediately followed by “f” (e.g., 2/3:6f). Citations from different articles are separated by semi-colons, even if they appeared in the same volume.

When the most valuable collections of Carriers and Locals are sold, one firm is chosen again and again.

When David Golden decided on the firm to handle his collection of Carriers and Locals—the largest and most valuable ever sold—he chose Siegel Auction Galleries.

When Richard Schwartz, past president of the Carriers and Locals society, decided to sell his massive collection, he chose the Siegel firm.

And, when the Hall family looked for an auction firm with the ability to sell one of the most important collections of Carriers and Locals ever assembled, they chose the Siegel firm.

Our knowledge, relationships with collectors, and state-of-the-art presentation (print and digital) qualify us above all others to handle collections of Carriers and Locals.

Buying or selling, it makes sense to deal with the leader.
