

CLUB SPECIAL DELIVERY

There is currently little known about this 10¢ stamp. It is sometimes listed as the product of an unknown United States parcel delivery company; but it is also acknowledged that it could be a fantasy label. The design of the stamp is somewhat similar to decorative advertising labels used in the late 1800s to early 1900s, such as *Acker's Special Delivery* and *Take It 2 Thyself*.
